

Call Me Three Times

© Kim Berry 2021

Pre-Chorus

B

If you want to come over

G

Call me when you're leaving

D

Another shot of rum has

Dsus4

Got me believing

Chorus

B

A

Then you call me three times

So I pick up the line

You call me three times

A

E

Then you hang up again

Verse 1

B

E

Your eyes, giving me the feeling

A

B

I see you in my dreams am I misconceiving?

Your smile, charismatic

Going through the motions like a hopeless romantic

Verse 2

Dark dreams, you're my obsession

The lie you've been living should be teaching you a lesson

Your trust, not going to break it

Going to catch you someday cuz we don't have to fake it

Bridge

C#m

I've got the vision if you

D

Got the ambition

Asus2/E

Stay on the line let's start the ignition
