① I'll tell you a story can make for pity  
My god got tired of love in the day  
Packed the truck, got my job & head buying  
any lbs off, gave down if you wish  
it's out west

② Story in the Larry Azant  
Lies story truly sad for they talk I surely

③ PC Don't come for y fool story  
Cuz other leg, time

④ Blaze the truly had song like a Las Vegas

But fly girls - the new lonely

⑤ Some more like call for me truly
